

## Fluency

1 Circle half of the amounts in each set.

## Word Problem

6 Look at the picture and complete the sentence below.

- There are \_\_\_\_ apples on the tree.

- The half of \_\_\_\_ apples is \_\_\_\_.

7 Share the candies between 2 children.

How many does each child get?

## Reasoning

8 Kim said that he has halved the fruits correctly.

6 fruits

8 fruits

True or False? Explain your answer.
