

## Fluency

1 How much change?

I bought	I gave	change
7p	2p, 2p, 5p	
6p	5p, 5p	
9p	10p	

## Word Problem

2 Hina buys some new story books from the shop. She buys 2 books. How much does she spend?

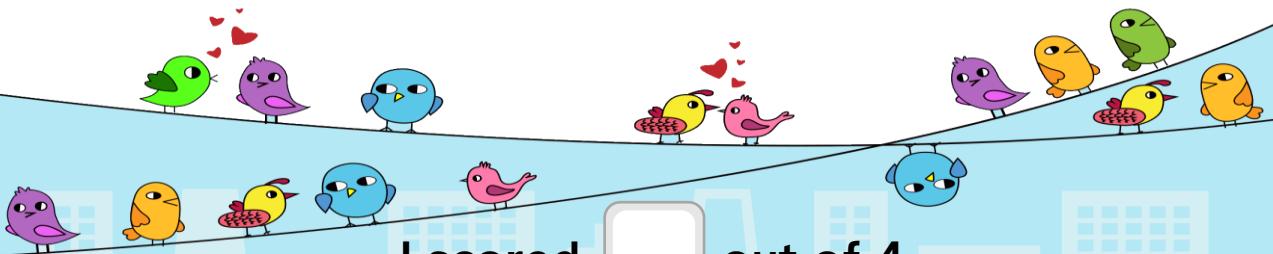

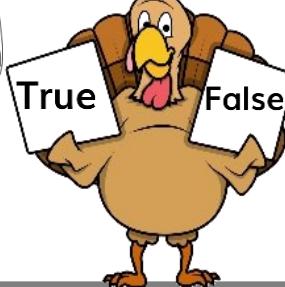

3 Ria had 20p in her purse. She buys a present for her friend for 12p. How much money does she have left?

## Reasoning

4 True or False? All the purses show 24p.
