

### Fluency

1 Match the statements to the images.

$$5 + 5 + 5$$

Two 3s

4 groups of 2

Five 10s = \_\_\_\_\_

\_\_\_\_\_ + \_\_\_\_\_ + \_\_\_\_\_ + \_\_\_\_\_ + \_\_\_\_\_ = \_\_\_\_\_

2 John had five 10p in his wallet. How much money does John have? Use the number line to help you.

\_\_\_\_\_ groups of \_\_\_\_\_

Seven 5s = \_\_\_\_\_

### Reasoning

4 Class 1 has 15 pencils. They need 8 groups of 2. Do they have enough pencils? How do you know?

I scored  out of 7
