

### Fluency

Write the calculations to go with these arrays.

1

2

3

4

### Word Problem

5

Tick the multiplication sentence that describes the picture.

5 x 5

3 x 5

4 x 5

2 x 5

6

One Easter cookie has 9 spots.  
Ron has 2 cookies in a jar.  
How many spots are there altogether?

+  =

x  =

### Reasoning

7 There are 5 boxes of biscuits. Each box has 2 biscuits.

Is Leo correct? Justify it.

There are 7 biscuits in total because  
 $5 + 2 = 7$

Leo

I scored  out of 7
