

## Fluency

- 1 How many days are there in a week?
- 2 Name the days of the week that starts with T.
- 3 Which days are not school days?
- 4 How many months are there in a year?

## Word Problem

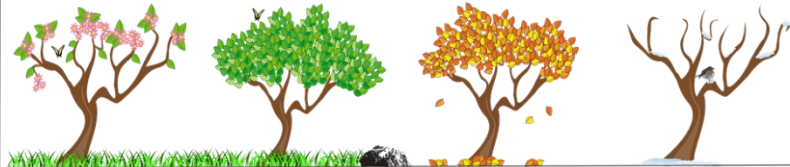

- 5 Match the pictures to the words.

autumn

winter

summer

spring

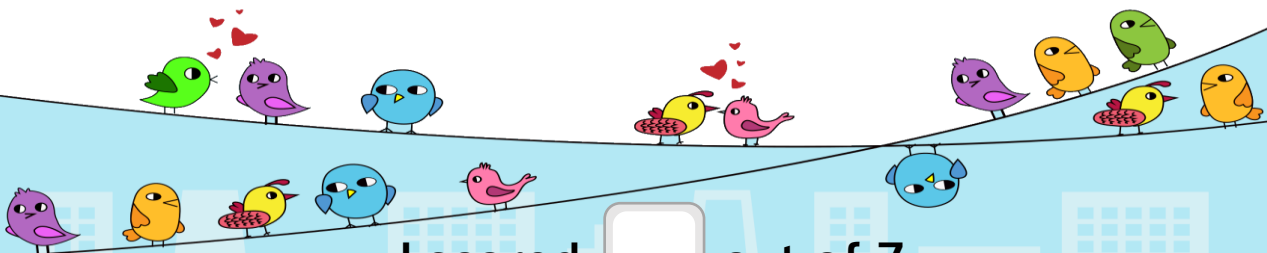

- 6 Jane is looking to visit a zoo. She is also planning to visit Africa. Which activity may take a week and which activity may take a day?

## Reasoning

- 7 Sarah is describing a month. She says, "I like this month because it's always sunny and it's bright outside for longer. I visit beach in this month"

What month do you think this is? Convince me!
