Word Problem

5

Jill takes one hour to complete her homework. Its 5 o'clock right now. Draw the hands on the clock to show the time when Jill will finish her homework.

6

Jane's Karate class started at 11 o'clock. It will finish in one hour. What time will her class finish?

Reasoning

7

Jane says "My clock shows 12 o'clock".

Explain her mistake.

I scored out of 7
