

## Fluency

Circle the shortest time.

1

1 minute

1 hour

2

1 day

1 week

Circle the longest time.

3

1 year

1 week

4

1 day

20 hour

## Word Problem

5

Sarah, Ali and Jim are timing themselves for star jumps. Look at the result and then fill in the blanks.

Name	Time
Jim	20 seconds
Ali	38 seconds
Sarah	59 seconds

- Jim jumped \_\_\_\_\_ than Ali.
- Sarah jumped \_\_\_\_\_ than Jim.

6

Jane went for a walk in the morning. Tick the time she could have gone for a walk.

1 o'clock

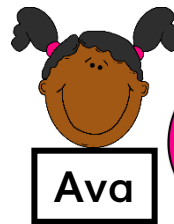

12 o'clock

7 o'clock

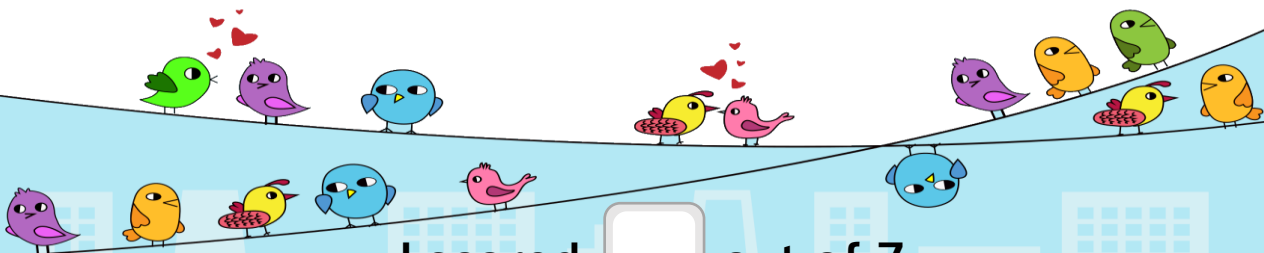

## Reasoning

7

Ali, Sam and Ava are doing painting. The clock shows the time when they finish painting.

Who finished last? How do you know?

I scored  out of 7
