

Fluency

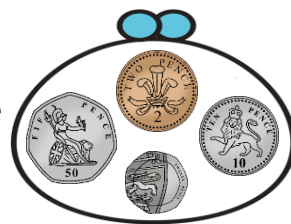

1 How much change?

I bought	I gave	change
 10p		
 30p	 	
 50p	  	
 80p	 	

Word Problem

2 Hina buys 2 movie tickets. Each ticket costs 32p. Hina has this money in her purse.

How much change will she get?

3 Mr Bear has 70p. He buys 2 cups of coffee. Each cup costs 30p. How much money does Mr Bear have left?

Reasoning

4 True or false? All the purses show 24p.
