

## Fluency

- 1 Write  $<$ ,  $>$  or  $=$  to compare the amount.

## Word Problem

- 2 Ria has five 2 pence coins. She wants to buy a book that costs 14p. Does Ria have enough money to buy the book?

- 3 Amy has a 50p coin, Aisha has a 20p coin and Ben has a 10p coin. How much money do they have altogether?

## Reasoning

- 4 Sarah says that all the purses have equal money because they all have 2 coins in them.

True or false? Explain your answer.
